

# Commit to Results

## Summary of Services

Commit to Results is dedicated to providing quality coaching support for both organizations and individuals alike. The programs we currently have on offer are:

### **Business/Executive Program**

- ◊ Aimed at those who own a business or are currently in management roles within organizations.

### **Career/Sport Performance**

- ◊ Looking specifically at performance in career including looking at career transitions and planning.
- ◊ Look at performance specifically relating to sporting endeavours and are focused on ensuring your mindset supports you achieved your desired Results.

### **General Program**

- ◊ For those individuals seeking to gain clarity with respect to their general direction in life. Often includes exploring issues such as relationship, finance and health.

### **Rising Star Program**

- ◊ Aimed at employers who wish to support their future leaders with their development and ensure their future success.
